This Charter establishes a universal framework to guide and strengthen the educational, institutional, and operational commitments of the signatory movements. It aims to actively contribute to building a more just, inclusive, united, and sustainable world, drawing on the fundamental values of Scouting..

Application for membership is made by sending an official letter of commitment, accompanied by an action plan aligned with the principles and objectives of the Charter..

Through this Declaration, the signatories affirm their commitment to building together a future of peace, where every young person, through education, becomes a responsible, compassionate, and engaged actor for a better world – building their future with one another, not against one another.

We commend the powerful and evocative theme: Living Together for Peace, chosen as part of the African Scout Conference.

Our next milestone is scheduled for September 17, 2025, in Antananarivo, Madagascar, for the first-ever International Summit on Living Together in Peace and the inauguration of the Peace Academy, held on the sidelines of the African Scout Conference – an event we warmly invite you to attend, to build together this world of peace.
